Your Excellency:

I have the pleasure to acknowledge receipt of your letter, dated October 19, where you enclosed a check for US \$ 700.00.- a sum made of voluntary contributions from the faithful of your Diocese to assist the people of the southern region that suffered the disastrous earthquakes of last May.

Please accept my deepest gratitude for the generous help your faithful have sent through you, such kindness can only be repaid with our prayers asking God's blessing upon Your Excellency and all those entrusted under your care.

Your faithfully in Christ
